

**NOTICE OF SETTLEMENT APPROVAL IN
CANADIAN OXYCONTIN[®] AND OXYNEO[®] LITIGATION**

PLEASE READ CAREFULLY. IGNORING THIS NOTICE WILL AFFECT YOUR LEGAL RIGHTS.

NOTICE OF SETTLEMENT APPROVAL

A Canada-wide settlement has been reached in several proposed class actions relating to the prescription drugs OxyContin[®] and OxyNEO[®]. These lawsuits (the "Proceedings") raised various allegations against the Defendants and sought damages on behalf of Canadians for harm and injuries which were allegedly related to the use of OxyContin[®] and OxyNEO[®]. The Defendants deny the allegations made in the lawsuits, make no admission as to the truth of these allegations and deny any wrongdoing.

This Notice advises you that, following publication of a notice program, hearings were held in the supervising Courts in Ontario, Quebec, Nova Scotia and Saskatchewan on July 18, 2017, August 9, 2017, August 1, 2017 and July 26 and 27, 2022, respectively (the "Settlement Approval Hearings").

The Courts each issued orders (the "Approval Orders") approving the national Settlement Agreement (the "Settlement") as being fair, reasonable and in the best interest of Class Members. The approved Settlement therefore settles all litigation in Canada relating to OxyContin[®] and OxyNEO[®]. The Approval Orders can be reviewed at the settlement website: www.oxycontinclassactionsettlement.ca.

WHO IS INCLUDED?

The Settlement applies to all persons in Canada, including their estates and provincial health insurers, who at any time between January 1, 1996, and February 28, 2017 inclusive, were prescribed in Canada and ingested OxyContin[®] tablets and/or OxyNEO[®] tablets, manufactured, marketed and/or sold or otherwise placed into the stream of commerce in Canada by one or more of the Defendants (the "Class" or "Class Members"), as well as all persons in Canada who by virtue of personal relationships to Class Members have statutory derivative claims for damages (the "Family Class" or "Family Class Members"). The Class has been sub-divided by region, as follows:

Ontario Class: Class Members whose prescription occurred in Ontario and/or British Columbia;

Quebec Class: Class Members whose prescription occurred in Quebec;

Atlantic Canada Class: Class Members whose prescription occurred in Nova Scotia, Newfoundland and Labrador, New Brunswick and/or Prince Edward Island; and

The types of injuries that may qualify Class Members for compensation include fatal and non-fatal overdose, addiction and various life complications arising from dependency alleged to be associated with OxyContin[®] and/or OxyNEO[®] usage.
